Max. load capacity	17.637 lbs
Type	black
Suitable for	flat screens up to 32"
Mounting device	4 mount holes VESA 75/100
Price display	
Material	aluminum
Height adjustment	pneumatic spring

The individual solution for your workspace. With this desk mount you can position a monitor up to a size of 32" in a space-saving and ergonomic way. The robust aluminum construction with the integrated gas spring can bear a load of 17.621 lbs. The connection plate is designed for VESA sizes 75/75 and 100/100. Thanks to the large stable table clamp (up to 3.35" thickness), the complete mount is quickly installed and can be used flexibly. Here, a height adjustment of up to 7.874" is possible. The upper arm offers an additional 13.78" of height adjustability. Of course, the head can still be continuously tilted, rotated and swiveled for a perfect viewing comfort and improved working posture. The integrated cable management ensures a tidy and professional workspace.
