Dual monitor mount

Product variant

23875-000-55 - black

Technical Data

Angle of inclination	-90° to 85°
Clamping range	up to 3.149"
EAN	4016842116720
Height adjustment	pneumatic spring
Material	aluminum
Max. load capacity	17.637 lbs
Mounting device	4 mount holes VESA 75/100
Special features	continuously hight adjustment of 7.874 + 13.78"; internal cable routing possible
Suitable for	flat screens up to 32"
Swivel	180 °
Type	black
Weight	4.51 kg

The perfect solution for your individual workspace. With this desk mount you can position two monitors up to a size of 32" in a space-saving and ergonomic way. The robust aluminum construction with integrated gas spring can bear a load of 17.621 lbs each. The connection plates are designed for VESA sizes 75/75 and 100/100. Thanks to the large stable table clamp (up to 3.35" thickness), the complete mount is quickly installed and can be used flexibly. Here a height adjustment of up to 7.874" is possible. Each arm offers an additional 13.78" of height adjustability. Of course, each head can still be infinitely tilted, rotated and swiveled for a perfect viewing comfort and improved working posture. The integrated cable management ensures a tidy and professional workplace.
