With this universal smartphone stand, your smartphone is always within reach. In height, the stand covers a range of use from 23.622 to 55.118". The holder is suitable for all flat devices with a width of 2.165 to 3.346". The operation is quick and easy. A quick-release button on the back with latching mechanism unlocks the rubberized clamps and the smartphone can be easily removed. Thanks to the flexible ball joint, the holder can be tilted up and down and rotated 360°. The flexible holding arm with a length of 3.937" provides additional individual positioning.
