Threaded connector 5/8"

Quality level

Material steel

Height from 41.34 to 68.90"

Base diameter 10.83"

Microphone stand with extra-long extension for studio, stage or rehearsal room. The sturdy rod combination reaches a max. height of 68.897" and is thus ideally suited even for the "tallest" musicians. The large round base scores with clear shapes and sophisticated functions. A circumferential rubber ring prevents unwanted vibration and footfall noise. The combination of visually appealing plastic cover and integrated metal plate ensures excellent stability.
