| **Tube end(s)** | diameter 1.378" |
| **Type** | black |
| **Weight** | 10.1 kg |

Attractive speaker stand with flat steel plate (15.984 x 15.984"), useful carrying handle, cable management and four sturdy feet. Two of the feet are also height-adjustable, allowing continuous compensation for uneven floor surfaces of up to 0.118". This ensures exceptional stability and a perfectly wobble-free setup at all times. The stand is ideal for use where space is at a premium. The height is fixed with a safety hook and secured with a low-noise, backlash-free clamping screw. The slim design of the clamp enables space-saving transportation and ensures a stylish appearance. The usable height is between 43.7 and 71.259" and can be reached in 4 steps of 6.889". The maximum load capacity when fully extended is 39.683 lbs.
