Type ruby red

Quality level

Material steel

Instrument support non-marring slip-proof material

Height adjustment spring-loaded clamping knobs

Stacker for the 3rd level of the keyboard stand »Omega« 18810. The stacker is easily and quickly positioned to the desired height by a spring-loaded clamping knob. In addition, depth and inclination adjust in various positions. This stacker can only be used in conjunction with the 18811 stacker. A rubberised stop provides the necessary safety and prevents the keyboard from slipping.
