EAN	4016842122660
Height	from 17.13 to 36.22"
Material	steel stand, tabletop MDF
Max. load capacity	110.231 lbs
Quality level	
Shape	double-braced x-stand
Special features	additional locking positions on main X-tubes for extremely low level usage; adjustable end cap to stabilize the stand on uneven surfaces
Type	black
Weight	12.2 kg

The versatile set consists of the world-renowned 18963 keyboard stand and the attractive 18905 tabletop with carbon-look coating. The double-braced keyboard stand with integrated floor leveling ensures a stable and secure stand. The tabletop with the dimensions 17.716 x 43.307" offers enough space for controllers, mixers, laptops, synthesizers, etc. Assembly is easy to accomplish. The robust MDF tabletop is simply slid onto the keyboard stand and centered. No further fixing is required.
