| <b>Light positioning by</b> | goosenecks                                                             |
| <b>Special features</b>     | switch between 2 levels of brightness;<br>batteries included           |

Powerful and multifunctional dual-headed light with 2 flexible goosenecks which allow the musician to focus light to a pinpoint or evenly over a larger area. The light provides comfort and versatility to accommodate a variety of lighting needs through 4 powerful LEDs rated for 100,000 hours on each head and two brightness settings. The latest LED technology guarantees a bright light source and minimal energy consumption. A practical and extra-wide clip provides for easy attachment to all music desks or table tops with a thickness of 0.984". The light is powered by 3 (1.5 V AAA) batteries (included) with a typical battery life of 10 hours. Powered also by AC adapter (not included).
