12270

Music stand light »Twin Head«

Product variant

12270-090-55 - black, US plug

Technical Data

Clamping range	up to 0.984"
Connection	electric cable 118.11"
EAN	4016842824601
Electrical connection data	110 V AC 60Hz
Intensity	2 x ~1,400 lux
Light positioning by	goosenecks
Lighting appliance	2 x 4 LEDs
Material	plastic
Power supply	battery operation 3 x Mignon (AA) 1.5 V or mains power with power unit
Size when folded	6.50 x 3.94 x 2.17"
Special features	newest LED technology; bright and focused light; both light heads work individually; batteries and power adapter included
Type	black, US plug
Weight	0.28 kg

Another “highlight” from König & Meyer’s range of lights. The exceptionally flexible goose neck allows the musician to choose either a focussed beam or flat light. Each lamp head contains a pack with four LEDs, which can be switched on or off individually. The latest LED technology guarantees a bright source of light, long product life and minimal consumption of energy. The light is attached to surfaces with a maximum thickness of 0.984" using the clip. This multi-purpose attractive lamp functions with batteries or external power supply. The power pack and 3 batteries are included in the delivery.
