Practical all-rounder stand! The equipment stand 18826 is very versatile. Whether it is used for a mixer, monitor, keyboard or amplifier, equipment is secure on our stable stand. Setup is uncomplicated - without the use of tools. The height of each support arm can be adjusted between 23.425 and 39.691" with the help of user-friendly clamp-screws. Both of the front rubber end caps can be adjusted on their axis and as such can be adjusted perfectly to the equipment width. Simple handling and transport-friendly package dimensions make this stand ideal for travel. Typical for K&M is the solid workmanship and the durable steel construction.
