240/5

Microphone holder

Product variant

24050-520-55 - black

Technical Data

Adjustment	continuous
Clamping range	up to 1.889"
EAN	4016842114924
Height adjustment	non-scratching locking screw
Length	12.13"
Material	steel
Special features	movable support arm; adjustable to any angle
Threaded connector	3/8"
Type	black
Weight	0.45 kg

Universal microphone holder suitable for many applications. The microphone can be mounted vertically or at an angle of 90°. In addition the hexagonal rod can also be attached horizontally or vertically to the table clamp. The clamping width of 0 to 1.889" allows the clamp to be attached to a wide variety of surfaces. Its stable metal construction with high quality plastic inserts guarantees secure and strong hold. The cleverly shaped clamping parts allow the clamp to be used on smooth surfaces and round-shaped tubes.
