Table microphone clamp

Product variant

25800-521-55 - black

Technical Data

Clamping	locking knob
Visibility	
Height	from 25.20 to 43.31"
Rod combination	2-piece folding design
Swivel	360 °
Type	black
Price display	
Threaded connector	5/8"
Clamping range	0.393 to 2" / ø 0.59 to ø 2"
Material	steel

This variable microphone clamp has everything you need. A sophisticated mechanism allows the clamp to be rotated 360°. At the same time the height and position can be varied as required. A supplementary extension tube can be used for an even greater range. The clamping width of 0.393 to 2" / ø 0.59 to ø 2" allows the clamp to be attached to a wide variety of surfaces. The stable metal construction with high quality plastic inserts guarantees secure and strong hold. The cleverly shaped clamping parts allow the clamp to be used on smooth surfaces and round-shaped tubes.
