23723

Universal clamp

Product variant

23723-500-55 - black 5/8"

Technical Data

Clamping range	0.393 to 2" / ø 0.59 to ø 2"
EAN	4016842115044
Material	steel
Special features	includes threaded bolt and universal spanner; maximum 4 threaded bolts for 4 different directions can be applied
Threaded connector	3/8"
Type	black 5/8"

The new table clamp with a 3/8“ threaded connector is a true all-rounder. The threaded bolt can be fixed in four different directions using the universal spanner included. The clamp can also be extended using additional or other threaded bolts (1/4“, 3/8“, 5/8“). Having a clamping range of 0,393 to 2“ the clamp is suitable for a wide spectrum of mounting. The stable metal construction with high quality plastic inserts guarantees a secure and strong hold. The specially shaped clamping parts allow the clamp to be used on smooth surfaces and round-shaped tubes.
