Music desk dimensions	19.09 x 9.45 x 1.65"
Screw-on to	tube diameter 1.181"
Special features	large foldable music desk; adjustable in angle and depth
Type	black
Weight	1.08 kg

Large foldable sheet music holder with a steel extension arm, to be screwed onto vertical stand tubes. The clamping range for the tubes lies between ø 0.433 and ø 1.181". The distance of the sheet music holder to the stand tube can be steplessly adjusted on the extension arm ranging between 7.283 and 10.433". The sheet music holder is clamped and aligned by means of a handy wing nut. For transport, it can be folded and retracted to save space.
