| **Tube end(s)** | diameter 1.378" |
| **Type** | pure white |
| **Weight** | 9.5 kg |

A decorative space saving speaker stand. The heavy cast iron plate with a relatively small diameter requires little space. The tried-and-tested spring-loaded bolt with locking screw makes height adjustment easy and safe. The stand has a maximum pull-out height of 70.079" and is suitable for speakers with a maximum weight of 66.138 lbs. The integrated mounting aid simplifies mounting the loud speaker cabinets.
