Adapter bolt

Product variant

24506-000-29 - zinc-plated

Technical Data

Diameter	1.38"
EAN	4016842119523
Height	2.05"
Material	steel
Special features	suitable for Penn Elcom flange adapters
Threaded connector	M20
Type	zinc-plated
Weight	0.33 kg

Useful adapter bolt made of metal, suitable for Penn Elcom flange adapters with diameter 1.377" and additional thread M20. The adapter is needed to use telescopic distance rods with M20 in this flange adapter. The matched length of 2.047" with the additional collar ensures a vibration-free and secure fit.
