includes a practical integrated handle, cable
management, and two height-adjustable feet
for exceptional stability on uneven surfaces

Price display

Material steel

Dimensions 15.98 x 15.98 x 0.91"

Type structured black

Threaded connector M20

Heavy and solid base plate for all standard distance rods and rod combinations with M20 threaded bolts. An ergonomic carrying handle, a cable management and four sturdy feet are further useful features. Two of the feet are also height-adjustable, allowing continuous compensation for uneven floor surfaces of up to 0.118". This ensures exceptional stability and a perfectly wobble-free setup at all times. The dimensions are 15.984 x 15.984", with a weight of 16.314 lbs.
