19771

MagSafe-compatible smartphone holder

Product variant

19771-000-55 - black

Technical Data

EAN	4016842124831
Material	plastic, steel
Mounting	with a magnet
Special features	designed to magnetically hold and position smartphones that support MagSafe, use a compatible case, or are equipped with the included metal ring; freely rotates 360°; flexible holding arm for individual alignment
Type	black
Weight	0.91 kg

The MagSafe-compatible smartphone mount provides a secure and convenient way to magnetically hold and position smartphones that support MagSafe, are equipped with a compatible case, or use the included metal ring. The powerful magnetic attachment system allows you to quickly, easily, and securely attach your smartphone to the mount. Its strong magnetic base firmly adheres to any magnetic surface, ensuring fast and hassle-free installation. The integrated 360° swivel joint lets you effortlessly adjust your smartphone to the ideal viewing angle in either portrait or landscape orientation. The flexible mounting arm provides additional adjustment options, allowing you to position your device exactly where you need it for optimal viewing.
