The standard music stand 10050 is extra-long ? i.e. extra tall. With a height of 25.197 - 59.055", this tall music stand is well suited for standing musicians, particularly for tall musicians. The clamping elements for height adjustment and the adjustable head made of zinc-die cast material are extremely robust and provide the required stability and sturdiness for this music stand. The legs can be adjusted according to the musician's individual needs. The powder coating is non-abrasive and durable. The music stand is collapsible and easy to transport.
