| Size when folded | 3.74 x 3.74 x 28.94" |
| Special features | Friction Lock: Quick height adjustment by push and pull |
| Type | black |

Innovative orchestra music stand with infinitely variable height adjustment (friction lock). To adjust the support height, from 26.693 to 49.212", the tube combination is simply pushed apart or back again. For large, heavy music books weighing more than 5.511 lbs, the height can be additionally secured by tightening the clamping sleeve. The solid polycarbonate music desk is very light and yet impact and scratch resistant. Writing instruments are perfectly stored in the recess and always handy. The tilt of the music stand desk is also infinitely adjustable and large impact sound-insulation rubber end caps ensure a safe and stable stand. Thanks to the retractable foot construction, the music stand is ideally suited for transport.
