upholstered seat and backrest made from inherently fire-resistant materials (Trevira CS);
low-noise plastic glides; stacking racks and stacking protection; with ventilation holes and breathable foam; up to 6 chairs can be stacked
black

Professional orchestra chair with upholstered seat and backrest. Cushioning and fabric (Trevira CS) are made from inherently fire-resistant materials. The black fabric has a durability rating of 100,000 abrasion resistance cycles. The black powder-coated base is made from sturdy steel tubes with 0.078" wall thickness. The product has the following useful features: low-noise plastic glides, stacking racks and stacking protection. The rounded seat cushion with ventilation holes and the breathable foam provide for comfortable seating.
