With this elegant universal holder made out of high sheen, deep black acrylic glass, your Smartphone has a prominent spot on your desk. Two grip pads hold the Smartphone in place (without adhesives and magnets), you can choose between vertical and horizontal placement. The Smartphone is easy to place into and remove from the stand. To reactivate the grip pads simply clean them with water. The 45° angle provides for viewing videos and photos and for surfing and typing. The stand is equipped with two non-slip pads on the bottom of the stand.
