| Function | to slip on stand, to insert into speaker |
| Gewicht | 1.323 lbs |
| Height | 10.63" |
| Material | steel |
| Special features | patented expanding mandrel system »Easy Lock«; vibration-free connection due to moveable plastic splints; secured by locking screw |
| Suitable for tubing diameter of | 1.378" |
| Tube end(s) | »Easy Lock« diameter 35 to 37 mm |
| Type | black |

Useful extension for all common speaker stands with tube diameter 1.377". The innovative adapter sleeve is simply mounted and fixed by means of a clamping screw. A patented expanding mandrel with quick-release fastener ensures a tight fit of the speaker cabinet. The plastic expanding splints ensure a vibration-free connection between the speaker and the stand.
