Height	5.98"
Leg construction	steel triobular base
Material	steel
Special features	attractive trilobular base; anti-vibration circular rubber insert ring
Threaded connector	5/8"
Туре	black

Interesting Perspective! Affordable table microphone-stand in a new attractive form, compact and practical. The low stand with its distinctive trilobular base (triangle form) holds the microphone reliably and securely in place. The circular rubber insert ring filters foot step sounds, reduces the transmission of unwanted sounds and provides a non-slip vibration-free stand.
