Tube end(s)	diameter 1.378"
Type	black

Attractive speaker stand with flat steel plate (15.984 x 15.984"), useful carrying handle and cable management. The stand is ideal for use where space is at a premium. Depending on requirements, there are three ways to position the stand column. In addition to the centric and off-center position, the rod combination can also be mounted in the corner. The height is fixed with a safety hook and secured with a low-noise, backlash-free clamping screw. The slim design of the clamp enables space-saving transportation and ensures a stylish appearance. The usable height is between 43.7 and 71.259" and is adjusted in 4 steps of 6.889". The maximum load capacity when fully extended is 39.683 lbs.
