Weight	22.487 lbs

Attractive speaker stand with flat steel plate, carrying handle and cable management. The stand is suitable for use where space is at a premium. The height is fixed with a safety hook and secured with a low-noise, backlash-free clamping screw. The slim design of the clamp enables space-saving transportation and ensures a stylish appearance. The usable height is between 44.684 and 72.243" and can be reached in 5 steps of 5.511". The maximum load capacity when fully extended is 33.069 lbs.
