Attractive speaker stand with flat steel plate (19.251 x 19.251"), useful carrying handle and cable management. The stand is ideal for use where space is at a premium. The height is fixed with a safety hook and secured with a low-noise, backlash-free clamping screw. The slim design of the clamp enables space-saving transportation and ensures a stylish appearance. The usable height is between 43.7 and 71.259" and is adjusted in 4 steps of 6.889". The maximum load capacity when fully extended is 77.161 lbs.
