2-piece folding design
speaker will be fixed with flange adapter; mounting aid included
diameter 1.378"
black

A decorative space saving speaker stand. The heavy cast iron plate with a relatively small diameter requires little space. The tried-and-tested spring-loaded bolt with locking screw makes height adjustment easy and safe. The stand has a maximum pull-out height of 70.079" and is suitable for speakers with a maximum weight of 66.138 lbs. The integrated mounting aid simplifies mounting the loud speaker cabinets.
