Weight	14.097 lbs

Useful percussion table for beginners, advanced players and professionals. The sturdy and stable stand can be continuously adjusted in height from 32.283 to 53.15". The support plate with its generous dimensions of 22.677 x 14.803" can be removed for space-saving transport. A thick foam insert with nub structure, as well as the all-round edge protection, ensure noise-absorbing use. Non-slip rubber end caps, user-friendly wing nuts and the hard-wearing powder coating guarantee long-lasting use.
