A great bench for piano teachers and students. Two separately adjustable seats allow both pianists to play at the desired height. Ideal for lessons, duet performances, and growing students who need different seating positions. This double seat bench increases teaching comfort and improves playing technique. The high-gloss black finish with two black imitation leather cushions gives it an attractive appearance. The double seat is 39.173" wide and can be individually adjusted in height between 19.291 and 22.44". Leveling feet ensure a wobble-free and secure stand.
