Seat	imitation leather, 16.929 x 15.354"
Type	black imitation leather
Weight	15.969 lbs

The solid drummer's throne offers the quality, comfort, and stability professional drummers demand. The ergonomic shaped and elaborately upholstered seat with artificial leather cover balances superior posterior support and freedom of motion. The comfortable height adjustment results from an integrated pneumatic spring, which is released by a lever underneath the seat. The continuous height adjustment ranges from 19.488 to 26.772". The three double-braced legs and large rubber feet guarantee a stable stand. The matching carrying case 14003 is optionally available.
