You have your drum sticks always at hand with this comfortable holder. The large quiver, ø 3.543" provides enough room for several drumstick sets. With a depth of 9.842" the sticks are also securely stored. Thanks to the proven clamping element, the holder can be attached to all tubes with diameters of up to 1.181". Tools are not required for the installation. Space-saving storage is made possible through the flexible quiver material. If needed, the quiver can be quickly removed from the holder through the Velcro fasteners.
